Incredible Opportunity!

This property is ready for a makeover to become your dream home or a fantastic investment. The main house offers 4 bedrooms and 2.5 baths with a thoughtfully designed floor plan. Recent updates include a new roof (2022) and new windows. The spacious dining area sits just off the large eat-in kitchen, and the living room provides plenty of space for entertaining or even expanding the kitchen. PLUS a huge family room for all your gatherings. Upstairs, the primary suite features a walk-in closet and ensuite bath with dual sinks, a vanity area, walk-in shower, and tiled soaking tub. Outside, enjoy a covered patio and inground pool—“with no backyard neighbors for a picturesque view”—perfect for soaking up the Florida lifestyle. Off the pool area is a detached 600 sqft space with private entrance, ideal for a guest suite, in-law suite, home office, or studio. The property also includes a 1,000 sqft commercial garage with oversized doors and its own concrete driveway—“great for storage, car enthusiasts, RVs, boats, trailers, or commercial use. The lot backs up to a pond, is zoned for horses, and still keeps you close to all that Wesley Chapel has. No HOA, no CDD!

Home is being sold as-is with right to inspect. Well and septic are in good working condition, and the pool is operational—“just needs a cleaning.
